DANIEL HYNES

Senior Commodity Strategist, ANZ Bank

Daniel heads up ANZ's commodity research offering. He brings with him over 20 years of experience in the mining and metals industry, including commodity research and trading from around the globe.

Daniel's primary role at ANZ is to set the bank's strategy and price forecasts for the global metal and energy markets.

Daniel travels globally marketing to key industry participants, is often interviewed by local and international media, and participates in commodity-based seminars.

Prior to joining ANZ in 2014, Daniel worked around the world as a senior commodity analyst for investment banks including Citigroup and Merrill Lynch, as well as a commodity hedge fund. He also spent his early career as a mining engineer, primarily with WMC Resources.

Daniel holds an MBA in Technology and Finance, and a Bachelor of Mining Engineering.

THE BRISBANE MINING CLUB

The BMC holds regular lunchtime events, that provide an opportunity to network and hear high-profile speakers give personal insights into the Australian and global mining industry.

The aim of the BMC is to create a forum that encourages stronger relations between many facets of the greater mining community in Queensland. The BMC events are held bimonthly at the Tattersall's Club, Brisbane. Larger special events are also held throughout the year at different venues in Brisbane.

For further details about the BMC and the 2018 event calendar, please visit www.brisbaneminingclub.com.au
